2209346
Plantation Mahogany Mantle Clock

Assembly instructions

1. Remove the clock mechanism from the clock housing by simultaneously twisting and pulling the clock mechanism. See Illustration #1
2. Insert the battery into the mechanism. See Illustration #2
3. Set the clock to the correct time by turning the dial on the back of the clock mechanism. See Illustration #2
4. Replace the back cover onto the mechanism. Replace the mechanism back into the clock housing.
